

A decorative graphic on the left side of the slide consisting of two overlapping parallelograms. The front one is blue and the back one is a light green. They are positioned diagonally, with the blue one partially covering the green one.

Cybersecurity Club

The best club you'll ever join

Links to have (There's only one)

- Linktree: <https://linktr.ee/cscwwu>

Weekly Club Format

- Weekly meetings on Fridays from 4 PM - 5 PM
 - Meetings will revolve around topics chosen by you all
- Events throughout the year will be communicated through email and discord
- One social event will be held (w/ pizza) at a date we will decide as a club

Events to be aware of

- Cybersecurity Competitions
 - Competition Teams will be formed based on interest and, if need be, tryouts
- Security Awareness Competition
 - <https://tinyurl.com/wwusecvid>
- ACM Resume Book
 - <https://tinyurl.com/ACMresumebook>

Questions?

Icebreakers

Take the next 10 - 15 minutes to introduce yourselves to one another and just chat for a bit. Feel free to use the restroom or get some water or whatever

Topics to cover

- 8 meetings this quarter
 - Topics are chosen by members
 - Previous topics include:
 - Lockpicking
 - DNS Cache Poisoning
 - SQL Injections
 - DDOS Attacks
 - If you have something you would like to present on, let one of the officers know and we will happily set that up

Reminders

- Join the club on WIN
- Read the club constitution (or the US one)
- Provide your email or some way to contact if you haven't already
- If you have any further questions, feel free to contact any of the officers
